

Conference Short Name:

ITECIndia2015

Conference Highlights

ITEC INDIA 2015 International Transportation Electrification Conference India is aimed at helping the industry in the transition from conventional vehicles to advanced electrified vehicles. The conference is focused on components, systems, standards, and grid interface technologies, related to efficient power conversion for all types of electrified transportation, including electric vehicles, hybrid electric vehicles, and plug-in hybrid electric vehicles (EVs, HEVs, and PHEVs) as well as heavy-duty, rail, and off-road vehicles and airplanes and ships.

ITEC INDIA 2015 will be held in Chennai, India between August 27-29, 2015. The conference is organized by SAEINDIA & IEEE Industry Applications Society. This conference will address technical interests related to the electrification in the transportation sectors including but not limited to, Electric and Hybrid Vehicles, and Plug-in-Hybrid, Aeronautical, Railroad and Off-Road vehicles. ITEC INDIA 2015 will present an array of papers across different topics, ride and drives and first ever pan-India student EV competition.
