AND

**INTERNATIONAL CONFERENCE ON  
“EMERGING HORIZONS IN DIAGNOSIS OF ANIMAL AND POULTRY DISEASES -  
TOWARDS SUSTAINABLE PRODUCTION  
IN ASIAN COUNTRIES”**

Dear Colleagues,

It gives us immense pleasure to inform you that the Department of Veterinary Pathology, Veterinary College, Hebbal, Bengaluru along with IAVP, ASVP and ICVP is organizing an International Seminar on “Emerging horizons in diagnosis of animal and poultry diseases - towards sustainable production in Asian countries” along with Veterinary Pathology Congress between 9<sup>th</sup>-11<sup>th</sup> November 2017. The Organizing Committee cordially invites all the Veterinary Pathologists, Veterinary and Biomedical Scientists, Academicians and Scholars in Asia to take part in this event.

The seminar will focus on the recent trends and technologies available for disease diagnosis in animals and poultry with emphasis on need based approaches. The deliberations of the event will bring to limelight the lacunae currently faced in combating emerging infectious diseases, their rapid diagnosis and control strategies. The main objective will be to bridge the gap between the available technology and its judicial adoption by Academicians/Industry and efficient use by practioners.

### **Regarding Acceptance of Abstract**

Submitted by Reviewer on Tue, 17/10/2017 - 12:30

Dear sir,

I had already sent abstract for poster and oral presentation, and also I registered myself for attending this conference. But till date I have not received any communication in respect to acceptance of Abstract. Kindly intimate me about abstract status, so, we can take permission to attend the upcoming conference from competent authority.

Thanks

Rajeev Ranjan, Scientist and Biosafety Officer, International Centre for Foot and Mouth Disease, Bhubaneswar.
