
Visa Information

Please note that we are not able to arrange visas for participants. We advise all participants to check with the nearest host country embassy whether or not a visa is needed. If you are likely to need a visa, we recommend that you make your application as soon as possible. To help you, once you have registered and paid to attend, we can issue a letter which confirms that you have registered and paid to participate in the conference. If you need a letter, please complete the **visa information form** [1]. This will provide the information needed to create your letter, but please check the information carefully before submitting the form.
