

The 2020 Conference at Malaysia is postponed till a clear exit date from the current Lockdown is announced by the Govt. Please note the conference is NOT cancelled so existing authors no need to worry and new authors can still submit their Abstract.

Publications (More to Join)

Universiti Malaysia
KELANTAN

Journal of Tropical Resources and Sustainable Science (JTRSS)

This yearly conference will be held alternately between **Malaysia** and **Taiwan**, giving opportunities to top policy makers, scientists, academicians, practitioners and stakeholders from agro-based industries across the globe in sharing their updated findings. In facing the ever-increasing populations, there will be urgent needs to improve the productivity and qualities of food producers; as well as to ensure food security and generate sustainable income through agriculture in the era of industrial revolution 4.0.

Main Organizer

UNIVERSITI
TEKNOLOGI
